All deposit transactions are free of charge unless specified otherwise in the Schedule of Fees.

You will be allocated free withdrawal transactions each month on one of your personal Prime Access, Freedom Plus or Platinum Plus accounts.

The number of free transactions allocated per month is dependent on the following criteria:

Total balance	Free transactions
<= \$5,000	4
>\$5,000 - <=\$10,000	8
>\$10,000 - <=\$50,000	15

Total balance is the combined balance of all your deposits and borrowings at the end of the month. For example, if you have \$5,000 in deposits and a \$5,000 loan this would be considered a total balance of \$10,000.

Freedom Plus customers will be allocated a minimum of 15 free transactions on their primary transaction account. Cash Management accounts will receive a fixed allocation of four free transactions per month.

Your allocation of free withdrawal transactions applies only to those transactions listed below. Should you exceed the free monthly limit that applies to you, the fees listed below will apply for each additional transaction over the applicable limit.
