Important Information

Waiting Periods

When you first join CUA Health or upgrade your cover to include new services, there's a period you'll need to wait before you're able to claim certain services.

If you're transferring from another health fund, we'll recognise any waiting periods you've already served with your previous health fund for the same services on an equivalent level of cover with CUA Health. Please refer to the CUA Health Member Guide for more information on transferring from another health fund.

Annual Limit

An annual limit is the maximum amount of benefits payable towards services, items or groups of services and/or items within a calendar year.

Sub-Limit

A sub-limit is the maximum amount you can claim for a specific service, which is deducted from a larger annual limit.

Benefit Replacement Period

A benefit replacement period is a set period you need to wait from the date of purchase for an item before you can receive another benefit to replace the item. This is separate to any waiting periods you may have to serve.
